

DECLARATION OF CONFORMITY

No: 11/01-A008-Z2, 11/01-A008-Z3, 11/01-A008-Z1,133490

1. Product type identification code: PVC DOORS AND WINDOWS TS EN 14351-1: 2006 + A1: 2010

2. Type, batch or serial number or other elements of the construction:

a) Double Window Design, Double Glass Design

b) Inward Door Design, Double Glass Upper Section, PVC Panel Bottom

c) Single Window Design, Double Glass

d) Double Sliding, Sliding Window

3. Intended use or intended use of the building material by the manufacturer in accordance with the relevant harmonized technical specifications: Used as PVC Doors and Windows in Buildings.

4. Name, registered trade name or registered trademark of the manufacturer:

Manufacturer : ERYAP GRUP YAPI MALZ.SAN.TİC.A.Ş.

Registered Commercial Title or Brand : WINER

Adress : 2. ORG.SAN BOL. CELAL DĞ BUL NO:27

GAZIANTEP/TURKEY

5. If available, the name and address of the authorized representative:-

6. System and systems for evaluating and validating the stability of performance of building material: System 3

7. Notified Body Number: The first type tests were carried out according to System 3 by Document No. 1644.

8. A declaration of performance of a construction material with a regulated European Technical Assessment: -

9. Declared performances:

Inward Double Window	Basic characteristics	Performance	Harmonized Technical Specification
	Air Permeability	Sınıf 2	EN 12207
	Waterproof	Sınıf 3A	EN 12208
	Wind Load Resistance	Sınıf C2/B3	EN 12210
	Thermal Permeability (UW)	1,60 W/(m ² K)	EN 10077-1
Inward Door	Basic characteristics	Performance	Harmonized Technical Specification
	Air Permeability	Sınıf 2	EN 12207
	Waterproof	n.p.d	EN 12208
	Wind Load Resistance	Sınıf C2/B2	EN 12210
	Thermal Permeability (UW)	1,58 W/(m ² K)	EN 10077-1
Inward Single Window	Basic characteristics	Performance	Harmonized Technical Specification
	Air Permeability	Sınıf 2	EN 12207
	Waterproof	Sınıf 5A	EN 12208
	Wind Load Resistance	Sınıf C5	EN 12210
	Thermal Permeability (UW)	1,55 W/(m ² K)	EN 10077-1
Double Sliding/ Sliding Window	Basic characteristics	Performance	Harmonized Technical Specification
	Air Permeability	Sınıf 2	EN 12207
	Waterproof	Sınıf 2A	EN 12208
	Wind Load Resistance	Sınıf C2	EN 12210
	Thermal Permeability (UW)	1,54 W/(m ² K)	EN 10077-1
	Acoustic Performance	22 dB	EN ISO 140-3

10. The building materials described in the first and second paragraphs of this Annex have the performances declared in paragraph 9 of this Annex. All responsibility for this performance declaration lies solely with the manufacturer described in the fourth paragraph of this Annex.

Signed for and on behalf of the manufacturer by:
